The Troy Foundation's Apple Grant program has been in place since 2007. This program provides grants of up to \$1,000 to teachers to enhance the educational experiences of their students by providing funding for the costs associated with field trips, materials, supplies, and equipment for their classrooms. Teachers from Troy City Schools, Troy Christian Schools, St. Patrick Catholic School, The Overfield School and Miami Montessori are eligible to apply for grants.

The 2025 Apple Grants were awarded during the June meeting of the Distribution Committee. Awards totaling \$35,192.74 are listed below. The grants will be distributed to support each request for the 2025-2026 school year.
